The screenshot shows the homepage of the Water Action Hub 3.0. At the top left is the UN Global Compact logo. To its right, the text "Water Action Hub" is followed by a large, bold "3.0". The top navigation bar includes links for "Find", "Create", "About", a search icon, a help icon, "Log In", and "Sign Up". A prominent call-to-action box in the center-left reads "Connect to water stewardship projects around the world". Below this is a search bar with the placeholder "Find a project or organization Put yourself on the map". A smaller search bar below it asks "Enter a country, organization, topic, address, city, or basin" with a search icon to its right. A "Feedback" button is located in the bottom right corner of the main image area.
