**What Would Google Do?**

"What Would Google Do? is an exceptional book that explains the diverse changes the internet is affecting in our culture, in marketing, and in society."  
—GARY KILGORE, founder of iStockphoto

"Jeff Jarvis' What Would Google Do? is a shining led for understanding the way to be not just an active citizen of the new network of Web 2.0 but a leader. There is a clear and concise understanding and a readable, sure-footed path for all good ideas."  
—GARY KILGORE, founder of iStockphoto

"Jeff Jarvis has written an extraordinary guide to the business logic of the new network. Why? Because he was the only person to give the people's voice and leadership the credit it really deserves. It's a book that will change the way we think about the future of business and society."  
—GARY KILGORE, founder of iStockphoto
